**Principal’s Report:**

**School Planning 2015-2017:**

During 2014, there was extensive consultation with staff, students and the school community regarding the new school plan for 2015 – 2017. From this process, the School Vision Statement has now been created. We will use this vision statement to drive our goals for the future.

**PPS School Vision**

Parklea Public School work closely in partnership with the school community, and together we strive to inspire and nurture students as responsible learners, resilient individuals and active global citizens. We empower students to achieve excellence through connected, collaborative, critical and creative learning experiences in a safe and supportive learning environment.

**Disco:**

Our ‘Fluro’ school disco was held last Wednesday 4th March in the school Hall. Thank you to the parents and teachers who attended to assist at this school event. A great night was had by those who attended. A big thank you to our...
P&C who organised the entire night, including booking the DJ and selling tickets and glow sticks. Your efforts were greatly appreciated by the students who attended the evening.

**Parent Teacher Meetings:**
Parent/teacher meetings have been organised for this term in Week 8. **The K-2 interviews will be held on Tuesday 17th March between 2pm and 7pm and the 3-6 interviews will be held on Wednesday 18th March between 2pm and 7pm.**

This is an opportunity to meet with your child’s teacher to discuss how they are going and for you to share relevant information. Due to time constraints, we need to keep each meeting to **TEN MINUTES** in duration. We realise the meeting time is limited, so if parents require a longer meeting, then we would ask that they make an appointment with the relevant teacher on another day that is mutually acceptable for both parties.

**Booking a Parent-Teacher Meeting Time:**
This year, we will be encouraging on-line bookings for all meeting times. Parents will be able to go online, view the times available and select the most convenient time. Full information regarding this process was sent home on Wednesday so please check your child’s bag. For those parents who cannot access the internet, bookings can be completed via the return slip on the bottom of the note.

**P&C Meeting:**
The P&C is vital in our school as they support the programs and assist with funding for resources that contribute to every child’s learning and well-being. Many hands make light work, so please consider helping our school by joining our P&C.

**Next meeting: Tuesday, 17th March at 7pm in the staffroom.**

Thank you and regards,

**FROM THE DESK OF THE DEPUTIES:**

**Ridges Zone Swimming Carnival:**
Congratulations to all those students who represented our school at this year’s Ridges Zone Swimming Carnival held last Tuesday 3rd March at the Blacktown Aquatic Centre. Our students participated in the various swimming events with great pride and determination. I know a lot of personal best times were broken on the day so congratulations to all. A special thank you to our supportive parents that attended this carnival and cheered on our school.

A final congratulations to our girl’s relay team for their outstanding achievement! We have also included a few pictures later in our newsletter (thanks to our amazing photographer). Well done girls!

**Premier’s Reading Challenge 2015:**
We will be sending information home regarding the 2015 Premier’s Reading Challenge (PRC) next week (Week 7) to all student K-6. At Parklea Public School, the PRC is high encouraged, but not compulsory. Information regarding how your child can log onto the PRC website and record their reading will be contained in the note being sent out next week. Happy reading to all our students!
Scripture & Religious Education:
Our Scripture classes for 2015 have commenced and operate each Wednesday from 12 noon. Mrs Bugeja, Ms McNabb and Mrs Terry are coordinating our school’s K-6 Scripture programs this year. Thank you for your hard work and organisation.

Point of Contact:
Please contact your child’s classroom teacher if you have any concerns about your child. Assistant Principals (Miss Akmens, Mrs McGregor, Mrs Phillips, Mrs Hack, Mrs Marshall and Mrs Mutch) have designated responsibilities and are able to assist with more complex or ongoing issues. The primary role of our Assistant Principals is to oversee their designated stage team in delivering high quality education programs. Requests to meet with your child’s classroom teacher or Assistant Principal may be made at the school office, by phone or email.

Road Safety… Again…
David, our School Crossing Supervisor, helps to keep our students safe when crossing the road. Our children learn from watching the actions and interactions of the significant people in their life. Parents are asked to remain vigilant when driving in and around our school zone. This particularly applies to parents who pick up and drop off their children using their car. There have been a number of recent reports where parents have parked illegally and stopped to pick up or drop off their children near or on the pedestrian crossing, which potentially puts the safety of others at risk.

Thank you to those parents who have reported unsafe behaviour to our school. We take this very seriously and act upon these unsafe behaviours immediately.

WHAT’S HAPPENING IN LEARNING TO LEARN?

Update from the Learning to Learn Committee:
The Learning to Learn committee is in the process of preparing our plans for teaching and learning at Parklea. We are very excited to announce some of the initiatives soon to be implemented. The first of these is the implementation of the new NSW Science Syllabus. This will begin with expanding the knowledge and understanding of our staff in the scientific processes outlined in the new syllabus, and then applying these to the teaching and learning of Science in our school. Our teachers and students are looking forward to experimenting, analysing, evaluating and designing through scientific and technological processes.

Teachers will also be implementing short (1-2 week) integrated units of work based on their class’ interests or areas of passion. We will initially brainstorm with our class an area, phenomena or idea that we are passionately interested in learning more about. Teachers will then plan the units of work covering all Key Learning Areas. These units will be exciting and engage our students thoroughly, whilst supporting and encouraging deeper thinking. These units of work will be implemented early in Term 3. Students will then have the opportunity to showcase their learning during our Education Week open classrooms.

Another exciting initiative for our school is the upcoming arrival of 107 XO laptops. These will go into kits for teachers to plan lessons and for students to use regularly in the classroom. XO laptops are designed with children in mind. They are lightweight, easy to use, flexible and durable. XO laptops allow students to connect with each other easily requiring no additional software or process. Teachers will receive training in using these devices and are very excited about their application in the classroom.

The Learning to Learn committee has an exciting year ahead and we look forward to implementing these new initiatives.

Regards,
Mrs McGregor and Mrs Mlinaric
(on behalf of the Learning to Learn Committee)

EAL/D NEWS:

English as an Additional Language or Dialect (EAL/D):
At Parklea Public School, we have 720 students and 45% of them or their parents come from a language background other than English. There are 48 languages spoken by our students or their parents (49 including English). We have a very diverse and multicultural school population and we are very proud of our students who always display respect and inclusiveness at all times.

We have 3 specialist teachers who support students from non-English speaking backgrounds, if needed. This is a federally funded program based on student needs. This year we have 8 days support: Mrs Hagar will work on Mondays, Mrs Pena on Mondays-Wednesdays and Fridays, and Mrs Temby on Wednesdays-Fridays. If you have any concerns about your child’s progress in English, please make an appointment with one of us.
We also have a multicultural committee and during the year, we have a number of multicultural events. Our first event was a Parent Information Session on ‘Schooling in NSW’, especially for parents who may have been schooled overseas themselves. It was lovely to meet so many of you.

Our next event will be Harmony Day which is a day of cultural respect for everyone who calls Australia home - from the traditional owners of this land to those who come from many countries around the world. By participating in Harmony Day activities, we can learn and understand how all Australians from diverse backgrounds equally belong to this nation and enrich it.

Harmony Day will be celebrated at Parklea PS on Wednesday 25 March (Week 9). The theme this year is ‘Harmony Day - Everyday’. On the day, students are encouraged to wear something orange, which is the colour of peace and harmony, and bring a gold coin donation which will be given to the Vinaka Fiji Yasawa Trust Foundation. Our Student Government voted to donate to this charity this year. This charity helps to provide educational supplies and aid to support the local schools in the 27 villages of the remote Yasawa Islands. We will also be doing some activities in the classrooms including an art competition and making a display for the hall so that, everyday, we are reminded of the message of peace and harmony.

Regards,
Mrs Temby, Mrs Pena & Mrs Hagar
(EAL/D Teachers on behalf of the Multicultural Committee)

SCHOOL NEWS:

ANZAC Day:
Anzac Day is celebrated on 25th April each year. ANZAC stands for Australian and New Zealand Army Corp and it was first used at Gallipoli in 1915. Although 2015 is the 100 Year Anniversary of the landing at Gallipoli of the Anzac forces, Anzac Day goes beyond this. It is the day on which we remember Australians who served and died in all wars, conflicts, and peacekeeping operations. The spirit of Anzac, with its human qualities of courage, mateship and sacrifice, continues to have meaning and relevance for our sense of national identity.

At Parklea PS, we will be holding our Anzac Day ceremony on Friday 24 April. Our students will be learning in class about the meaning of Anzac Day and we hope to have a display of memorabilia in the school hall. We have approached the local RSL clubs and would like to also ask...
our parents and grandparents if they have some memorabilia, especially from WW1, to loan it for the display. Years 4 to 6 will also be participating in the Australian War Memorial Roll of Honour Soundscape project which aims to record the names of the 62,000 servicemen and women who died during the WW1 conflict. The student recordings will be played at the Australian War Memorial in Canberra. If students have a family ancestor who died in the conflict, they can read out that name if they wish.

Do you know of a piper or bugler who would be willing to play at our ceremony? Or maybe you have some military items such as an army, navy or air force hats we could borrow so students can be photographed. If so, please let Mrs Phillips or Mrs Temby know.

We will provide more information on the Anzac Day ceremony closer to the date.

Regards,
Mrs Phillips and Mrs Temby
(PPS ANZAC Day Coordinators)

So what is Crunch&Sip?
Crunch&Sip® is a break during class when students can refuel on fruit and veg and rehydrate on water. The break assists students with physical and mental performance, and concentration in the classroom.

Crunch&Sip® encourages fruit and vegetable snacking and drinking water. Healthy eating behaviours are modelled in the classroom and reinforce the nutrition messages in the PD/H/PE curriculum. By making fruit and vegetable eating and water drinking normal in the classroom, healthy habits can be formed and continued into adolescence and adulthood.

We will begin having Crunch&Sip® breaks as soon as our new Wrapper Free Wednesday class tubs arrive. We’ll let you know when that time is. In the meantime, read the colour brochure you received home today.

Yours in health and wellness,
Mrs Bugeja and Ms Millson
(PPS Crunch&Sip® Coordinators)

Changing from Fruit Break to Crunch & Sip®

For many years now, Parklea has had a fruit break in place as we were concerned with the number of students eating unhealthy snacks before school and during recess break. As well as that, fruit break provided an additional snack time for students during the long morning learning time. We will be introducing the Crunch&Sip® program to make this break time even more beneficial for our students. The Crunch&Sip® model links to the school curriculum and is also supported by the Healthy Kids Association and NSW Health.

Clean up Schools Day:
Thanks to all the families who supported our annual litter round up last Friday February 27th by ensuring their child had gloves to wear. A full report on these initiatives and other actions our students are taking in reducing our ecological footprint will follow in future newsletters.

A MESSAGE FROM THE STUDENT GOVERNMENT:

Riley Cake Stall:
Riley’s cake stall was a great success. $825.00 was made on the day. Wow!!! This success wouldn’t have been possible without the efficient organisation of our school leaders, Riley House Captains and Vice Captains and our organised Student Government. All students worked as a team to ensure cakes, toffees, jellies, and other special treats were available on time to all our students.

Thank you to those hardworking and dedicated mums who came along and assisted us with setting up, serving and packing away.

Thank you also to all the students and families for all your support with this cake stall. Your time and effort with making and providing an assortment of cakes, toffees, jellies, biscuits and toffee apples assisted in a successful cake stall.

Kind regards,
Mrs Dhillon, Mrs Gibb & Mrs Warren
(Student Government Coordinators)

A MESSAGE FROM OUR P&C:

*Calling all Dads*
Help is needed for the Election Day BBQ.

This is a great opportunity for fathers to be involved with fundraising for the P&C. This is always a fun few hours cooking a BBQ during the Election Day formalities at the school.

Bacon and egg rolls and a few sausages around lunch time is a really simply way of raising much needed funds for the P&C, which in turn, goes back to the school and our children.

The day starts at 6:30 am setting up getting ready for the gates to open at 8:00 am. If you can spare a few hours or even 1 hour on the day your help is greatly appreciated.

If you are available to cook a BBQ for a few hours on March 28 please contact Jason on 0407197608.

March 2015 Newsletter

Parklea Public School Parents and Citizens Association

Welcome
Dear Readers, welcome from your P & C Committee – this Newsletter will be published on a monthly basis shortly after the P & C monthly general meeting. The Newsletter is intended to provide another source of communication on how your P & C is addressing and coordinating issues with the school and to provide updates on fundraising activities.

Your P & C Committee and Membership Update
Your P & C Executive Committee members for 2015 are:

- President: Darren Tarry
- Vice President: Brian Chandler
- Vice President: Ian Macfarlane
- Treasurer: Vacant (see note below)
- Secretary: Victoria Thomas
- Uniform Shop Coordinator: Natalie Walker
- Fundraising Coordinator: Judith Durham

The Treasurer’s position is currently vacant and the Committee would welcome candidates who can spare a little of their time each month to manage the P & C accounts. Some basic knowledge of financial management is desirable and assistance will be provided to show what has been done previously. The candidate would need to be present at the next monthly meeting.

Membership is open to all parents and guardians of pupils attending the school and to citizens within the school community. Our general meetings are held on the 3rd Tuesday of each month with the Executive Committee, Members, School Principal and teaching staff in attendance. More parents are welcome to sign up and attend as Members, or simply become a Member to receive the P & C monthly General Meeting Minutes.

Upcoming Events

Important Announcement
We need volunteers to assist with the State Election day BBQ and cake stall – Dad’s for the BBQ and Mum’s for the cake stall - This is a great opportunity to be involved with fundraising for the P&C.

If you can spare an hour or two of your time to roster from 7am to 3pm please contact Jason Clinch on 0407197608.
Notes from the February General Meeting

- A Treasurer needs to be elected at next meeting.
- The Market Stall day is postponed until Term 2.
- Daytime P&C meeting - Lisa Barrett to co-ordinate and arrange meeting time and talk to parents, discuss issues to be raised at P&C Meeting.
- Air-conditioning in school hall – 3 widely varying quotes received. However, effectiveness, usage times, running costs and maintenance discussed. Alternative ventilation proposal being investigated.
- Other issues, including the Principal’s Report and Treasurer’s Report, are as recorded in the February Minutes of Meeting – please join the P&C membership to receive a copy.

Fundraising Efforts

- Thank you to all the parents & helpers who assisted with the Riley cake stall on 25th February.
- Future fundraisers include the Fluro Disco (held last Wednesday and a great time for the students – and staff – thanks again to all P&C volunteers), State Election Day BBQ and cake stall, the Market Day at school, Mother’s Day Stall, Father’s Day stall, Event Cinema exclusive, Rides Night and the Performance Night.
- A wish list for the most effective use of the P&C fundraising will be discussed at the next monthly meeting, with a proposed fund target for the year being established.
- A Fundraising helper is needed to assist the Coordinator and be part of the Executive – if you are interested please speak to Judith Durham or Lisa Barrett.

From the Uniform Committee & Shop

- Natalie would love to have a few more volunteers to assist in the Uniform Shop – no special skills required, just a little bit of your time on Monday afternoons, Thursday mornings and for annual stocktaking.

Fundraising Goal 2015 (sample)
The P&C will post an update in the monthly newsletter of the goal being targeted and progressive funds raised during the year.

Dear Parents/Caregivers,

Below is a note sent to us from Northmead Creative and Performing Arts High School regarding their Gifted and Talented Academic Program in 2016. If you are interested in enquiring about this program or applying for your child in 2016, please read the information below and contact the high school.

Kind Regards,
Year 6 Teachers

February 2015

Dear Parent/Caregiver

Over the past several years Northmead Creative and Performing Arts High School has been implementing a Gifted and Talented Academic Program, the entry to which has become extremely competitive.

Selection into this academic program is based on an entrance examination. This year, for the 2016 placement, we will be conducting a Higher Ability Selection Test (HAST). Please note that this program is for selection to the academic program, rather than the Creative and Performing Arts stream. However, the two streams are not necessarily mutually exclusive. The cost to parents for this examination is $65.00 payable on application (non-refundable).

Testing will occur on Thursday 26th March 2015 from 9.00am to 12.00pm at Northmead Creative and Performing Arts High School in the school hall. There will be four (3) tests which will include:

- Reading Comprehension
  45 minutes
- Mathematical Reasoning
  40 minutes
- Abstract Reasoning
  30 minutes

There will be a short break between tests 2 and 3.

Candidates who arrive late for the first test will be admitted only at the discretion of the supervisor, and additional time will not be allowed.

Parents who are interested in applying for a placement in this class should in the first instance contact the school for further details and ask to speak to Michelle Vallejo or the Principal, Narelle Vazquez or the Head Teacher, Gifted and Talented, Katarina Parry.

Yours faithfully
K Parry
Gifted and Talented Co-ordinator

**Sustainability Education at Parklea Public School 2015**

Sustainability, one of three key cross-curricula priorities of the Australian Curriculum enabled Parklea’s learning community to broaden what was the delineation of Environmental Education, of an extra-curricula focus. It also encapsulated the essence of the descriptor of ACARA which states “Sustainability education is futures-oriented, focusing on protecting environments and creating a more ecologically and socially just world through informed action.” Parklea Public School continues to be recognised as best practise in delivering a cross-curricula approach to Sustainability Education for students, staff and beyond the school gate.

Management of Sustainability Education consists of the following areas:

- Curriculum
- Management of resources – water, air, energy, waste
- Management of school grounds
- Sustainability

**How can families help? Swap it!!**

**IMPORTANT DATES THIS TERM**
- Clean Up Schools Day 27 February
- Wrapper Free Wednesday re-launch TBA
- Crunch n Sip Program launch TBA (replacing fruit break)
- Environment Leaders Training workshop TBA

RARE DISEASE DAY THANK YOU!
From the bottom of our hearts, we thank you. We are so grateful for the support and generosity you have shown towards our precious son, Eli. Thank you not only for the money you have donated to the Barth Syndrome Foundation, but also for your kind thoughts and well wishes. We were absolutely blown away by the level of support and love we felt from the Parklea community. We feel blessed to be part of such an amazing school! We cannot thank you enough for your donations. Our Parklea community has raised over $1100. The Barth Syndrome Founder was amazed when I told her how much money our school had raised. We are so appreciative as we know this money will make a huge difference to the lives of the boys living with Barth Syndrome. Each day, we take a step closer to finding a cure and this money will help us reach that goal.

Thank you for making a difference!

Mrs Hagar, Rodney & Eli
ZONE SWIMMING 2015
Dear Business owners,

At present in the cold of winter and during the heat of summer, the children at Parklea Public School are, on many occasions, unable to utilise the schools hall as there is no adequate heating or cooling.

How can you and your business help?

Parklea Public School, along with the support of our school’s P&C association, is currently seeking sponsors from the local community to enable the school to purchase air conditioning for the school hall.

The school is offering four (4) levels of sponsorship from Bronze at $100 through to Platinum sponsorship at $1000 or more.

What can the school offer you in return?

Sponsorship provides advertising to your business through our extensive family/community network in the following ways up until 30th June 2015.

Bronze sponsorship $100
- 1 small business logo (size half business card) in our school’s eNewsletters;
- Your business logo appears in the bronze sponsor section of the school website;
- Bronze Certificate of Appreciation to display for your business.

Silver sponsorship $250
- 1 business card size ad in our schools eNewsletters;
- Your business logo appears in the silver sponsor section of the school website;
- Flyer distribution once a semester;
- Silver Certificate of Appreciation to display for your business.

Gold sponsorship $500
- A6/quarter page ad in our school’s eNewsletters;
- Your business logo appears in the gold sponsor section of the school website;
- Flyer distribution once a term
- Gold Certificate of Appreciation to display for your business.

Platinum sponsorship $1000+
- A5/half page ad in our school’s eNewsletters;
- Your business logo appears in the platinum sponsor section of the school website;
- Flyer distribution twice a term;
- Platinum Certificate of Appreciation to display for your business;
- Exclusive invitation for advertising at school functions (e.g. Performance nights, discos, carols, etc.)

Note: Your sponsorship level and entitlements will be determined by the financial contribution you provide to the school.

How do you become a sponsor?

Businesses that would like to sponsor our school are encouraged to send an EOI email addressed to Mr Scott Fisk (R/Deputy Principal) via our school’s email address as shown below:

parklea-p.school@det.nsw.edu.au

Due to the setup of our school’s new finance system, donations can only be made by cheque written to Parklea Public School. (Please be sure the cheque is clearly identifiable with your business name).

We thank you in advance for your consideration and look forward to building a stronger community together.

For further information please contact;

Scott Fisk, R/Deputy Principal
